

# A JOURNEY OF FLAVORS AND AROMAS

TEQUILA TASTING

# TEQUILA TASTING

---

*We must follow the path in search of the right flavors and aromas in order to find the real agave flavors, to achieve not only wisdom but also truly enjoy an Elixir that only the bold ones can find.*

*Join us in this special journey and discover what Tequila is for you.*

---

The idea of the tasting is a sensory experience which will make guests and clients discover what type of Tequila best suits their palate.

In this way, in a personalized service, the guest will be able to discover if their palate is:

Adventurous  
Romantic  
Taster
